WALL COVERINGS

Clayline

Clayline è il rivestimento formato 22x66,2 cm per spazi residenziali dove passato e futuro si mixano per creare atmosfere senza tempo. 6 colori, una struttura tridimensionale e un decoro rendono ideale la collezione per sperimentazioni e nuovi linguaggi abitativi.

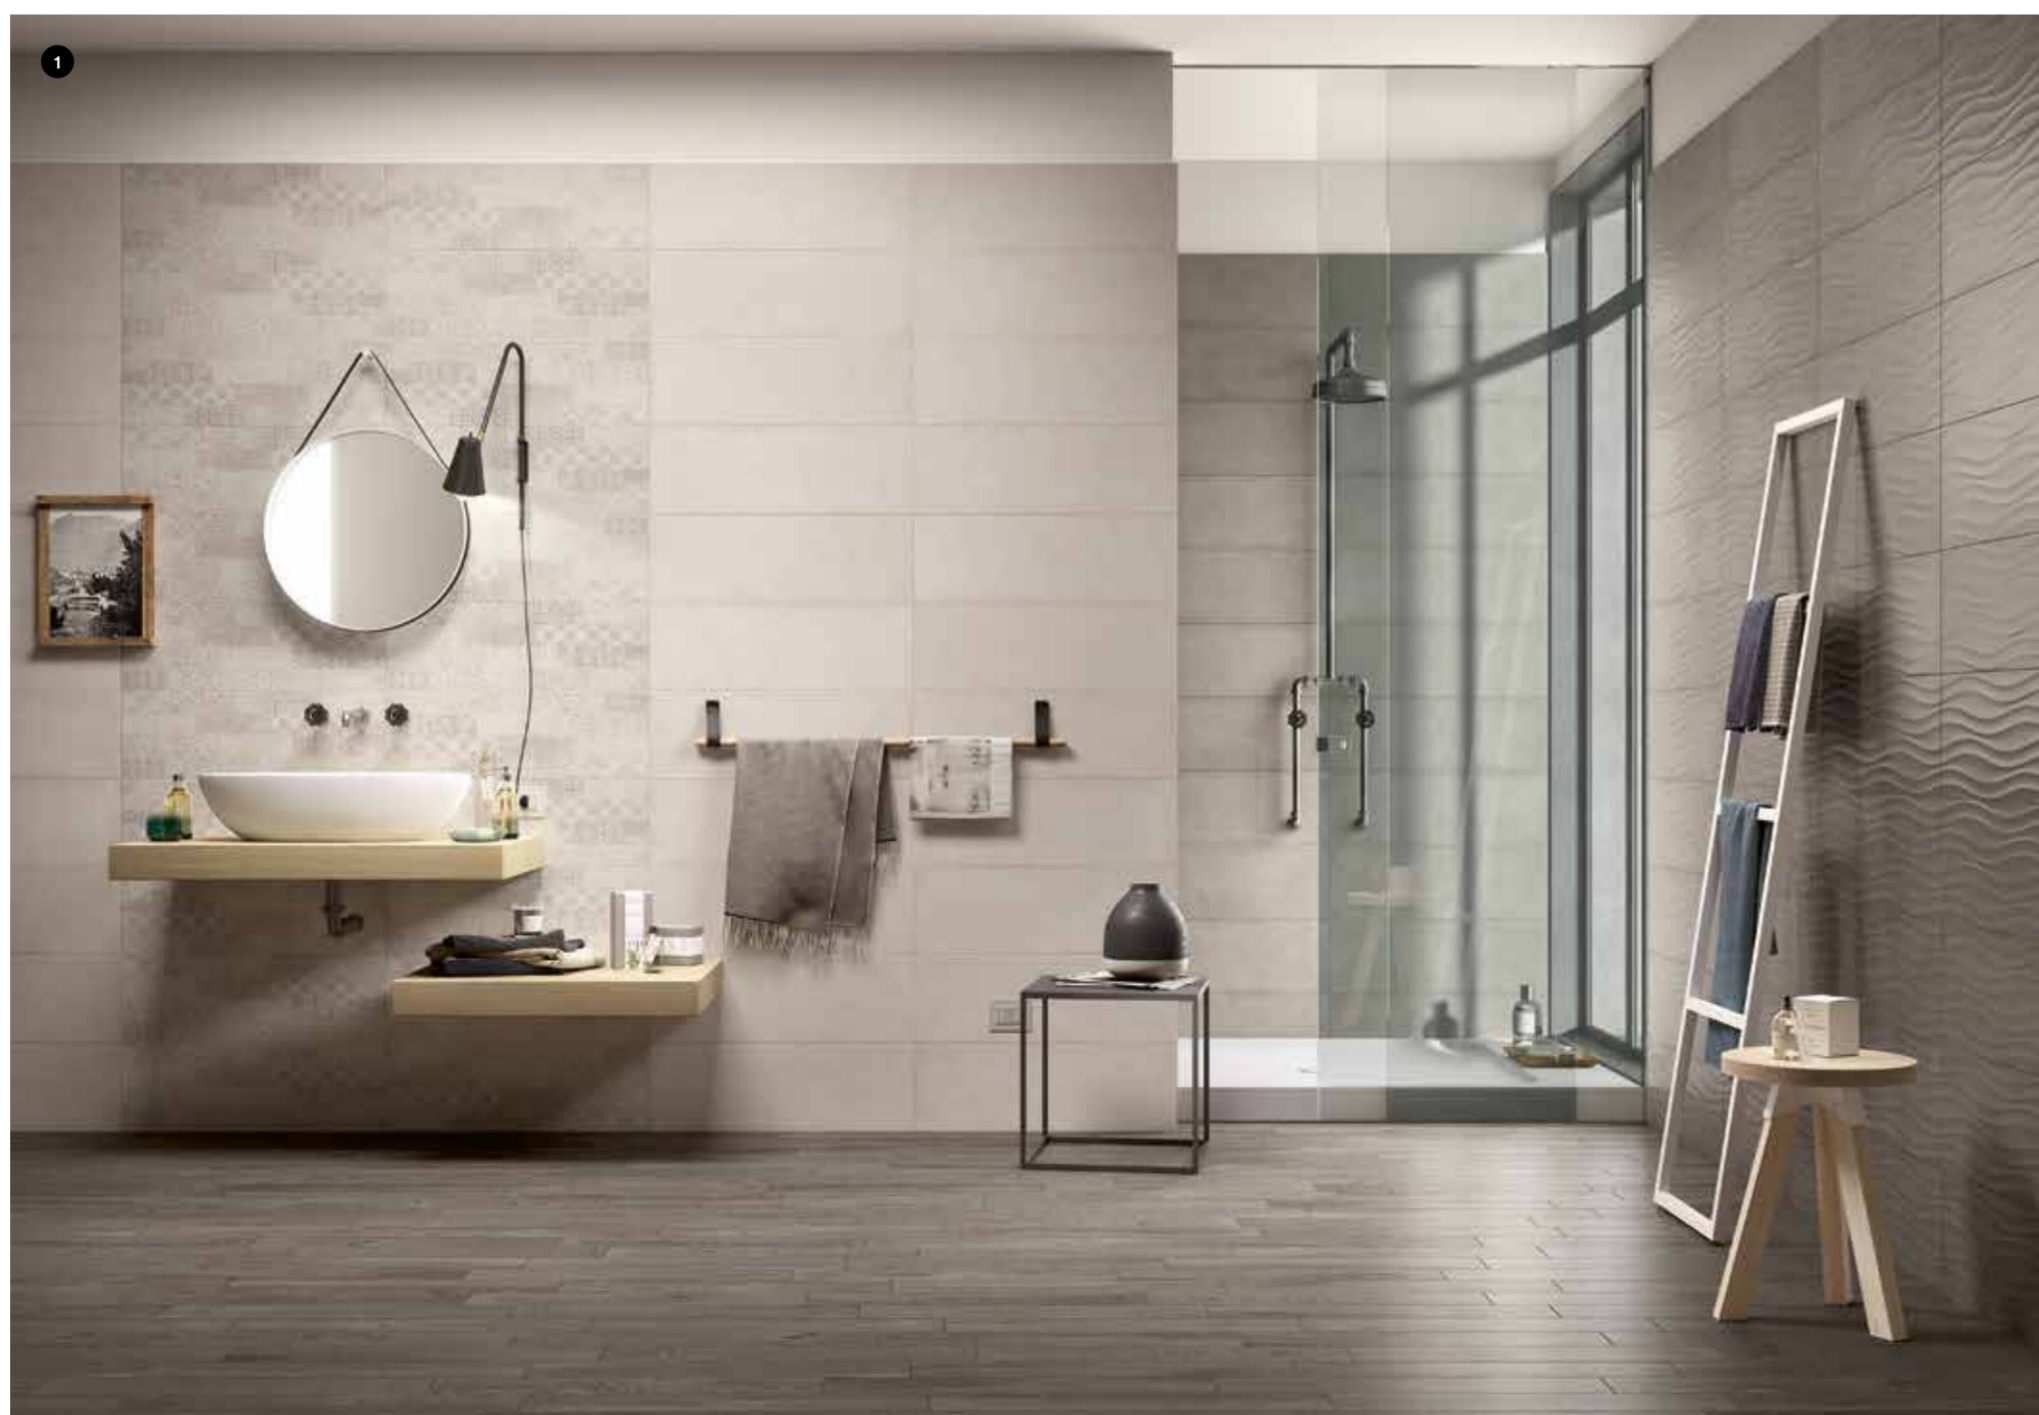

Clayline is the range of wall tiles in size 22x66.2cm for residential interiors where past and future merge to create timeless ambiances. 6 colours, one threedimensional structure and one decor tile make this collection ideal for experimentation and for evolving new home design languages.

Clayline est le revêtement mural de 22x66,2 cm pour les maisons où le passé et le futur se rencontrent pour créer une ambiance atemporelle. Six couleurs, une structure tridimensionnelle et un décor composent une collection idéale pour expérimenter et pour renouveler les langages résidentiels.

Die Wandfliesen Clayline im Format 22x66,2cm erfüllen private Bereiche, in denen sich Vergangenheit und Zukunft begegnen, mit einer zeitlosen Ausstrahlung. 6 Farben, ein 3D-Relief und ein Dekor machen die Kollektion zum perfekten Gestaltungsmittel in Raumwelten, die neue Wohnkonzepte und -stile zum Ausdruck bringen.

Clayline es el revestimiento en formato 22 x 66,2 cm para espacios residenciales donde se unen pasado y futuro para crear atmósferas atemporales. 6 colores, una estructura tridimensional y una decoración vuelven esta colección ideal para la experimentación y para comunicar con nuevos lenguajes habitativos.

Clayline - это облицовочная плитка форматом 22x66,2 см для жилых пространств, в которых прошлое и будущее смешиваются для создания не знающей времени атмосферы. 6 цветов, объемная структура и декор позволяют успешно использовать эту коллекцию для экспериментирования и создания нового языка в оформлении жилья.
